This list is correct to the best of my knowledge. If you see a mistake, please let us know!

KEY: () - inside parentheses is where the exclusive could be found

* * between asterisks is the movie, tv show, game etc that a character appeared in.

[CHASE] – signifies a chase piece of a regular Pop. These items are harder to find and usually worth more.

This list is compiled, updated, and coyrighted by Matt Norris, owner of PopVinyls.com This document can be downloaded and printed as a checklist or used on a computer as a “clickable” checklist as long as the PopVinyls.com watermark and this addendum is kept intact giving full credit to its creator.
